\***Lustre** Coating is an eco friendly, non-flammable, roller-applies coating that provides superior protection against fingerprints and UV exposure, while also visibly enhancing the look of your print.

\***Giclee**: Perfect for those who love to pore over the details. Giclee Prints offer your photos ultra-detailed image resolution and vibrant colors.

\***Fine Art**: 310 gsm matte paper with slight texture; acid-free with optical brighteners. Fine art paper has a light, watercolor texture and delicate feel. Your image is printed on this paper with a large inkjet printer, creating a stunning Giclee print that will last for years to come.
